

RIVET TOOLS

DOUBLE-END DRILL BITS

Our #30 Double-End High Speed drill bits are constructed of M-2 high speed steel for the best combination of strength, heat resistance, and wear resistance.

The 135° split point ensures a true start and eliminates bit walking.

The #30 wire size bit is recommended by all pop-rivet manufacturers for 1/8" pop-rivets.

Black Oxide coated for corrosion resistance.

12 per Pack
