Re: Certification of Origin
AMSI Metal Roofing Clips

To whom it may concern,

This letter shall serve as our certification that all standing seam metal roof clips listed in our online and print catalogs are manufactured at our plant in Douglasville, Georgia in the United States of America.

In addition, 100% of the steel product used in the manufacture of our products is produced in United States of America.

If you have any questions or require additional information, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to be 'D. Trefzger', with a long horizontal flourish extending to the right.
